OFFICE OF THE DIRECTOR OF FOOD SUPPLIES IN MYSORE, BANGALORE—1.

Notification dated 19th April 1952.

No.E 4-857 C. 2949—51-52. In pursuance of Clause 13 of the Mysore Rationing Order (Food) No. 2 of 1943, I, Sri N. Madhava Rao, B.A., Director of Food Supplies in Mysore, Bangalore, do hereby order that the following amendment may be made to the Statutorily Rationed Areas Regulation of 1950:—

In Clause 1, after the words 'The Bangalore Corporation' add the words 'and such other extensions formed by the Bangalore City Improvement Trust Board from time to time, as may be notified'.

763 N. MADHAVA RAO, *Director.*

OFFICE OF THE CONTROLLER OF CIVIL SUPPLIES IN MYSORE, BANGALORE.

Circular dated 8th April 1952.

No. 151-160. The attention of composite Mills and Spinning Mills in Mysore State is invited to the recent decision of the Government of India permitting composite mills to sell fine, super-fine, cloth along with 50 per cent of medium and coarse cloth to dealers of their choice after offering 50 per cent medium and coarse cloth for controlled distribution and permitting Spinning Mills to sell lapsed yarn bales to the dealers of their choice as a measure of relaxation of the present distribution Controls. As a result of this relaxation, the local mills are likely to sell cloth and yarn to the dealers of their own choice within the State, as well as outside the State out of free sale quota accruing to them.

With a view to regulate the collection of centage and procurers' margin, if any, and to avoid possible confusion that would arise in case the centage and procurers' margin, if any, is collected from the dealers, the following procedure is suggested to local mills regarding collection of the above from one source only:—

SALE OF CLOTH* TO NOMINEES.

1. The Local Mills are requested to collect ½ per cent centage on the ex-mill value of cloth* sold and delivered to the Nominees either under allotment or under free sale and remit the same to the Treasury under the head of account 'LI. Extra-ordinary Receipts (b) Other items—Centage on cloth.'

SALE OF CLOTH* TO WHOLESALE DEALERS.

Where mill cloth* is sold to wholesale dealers under allotment or out of free sale quota they are requested to collect in all ½ per cent centage *plus* 1½ per cent Procurer's margin and remit the same to the head of account 'LI—Extra-ordinary Receipts (b) Other items—Centage on cloth.'

* The term cloth includes Sound cloth, Seconds, Fents, Chindies and Rags.
